Re: D C Republican Committee C00191288
December 31, 2008 RFAI
Response due February 2, 2009

Ms. Garnes,

This filing will serve as the initial response of the D C Republican Committee Federal Campaign Committee to your RFAI dated December 31, 2008.

The Committee intends to amend its report in accordance with your request and telephone conversation with me, today February 2, 2009. The Committee is working with the FEC's electronic filing technical services branch to resolve an electronic filing issue related to the recently filed Year End Report. This error currently makes it impossible to file the amended September Monthly report as discussed with you on the phone. I expect we will also file an amended Year End Report to fix the apparent upload error that is causing the problem.

When the issue is resolved with the assistance of the FEC specialists we will file the amended report. We expect this to occur as soon as possible.

Thank you for your assistance

Scott Ward
